Dear Senator Montgomery:

We are pleased to inform you that the Sierra Club has endorsed your candidacy for the 2008 primary (if there is one) and, assuming you are the Democratic nominee, for the 2008 general election. The NYC Group Political Committee is pleased to extend our support for your campaign in appreciation of your demonstrated commitment to protecting New York's environment.

The Sierra Club and its members work to support pro-environmental candidates and keep environmental issues a top priority in the New York State legislature. Now that you have the Sierra Club's endorsement, we encourage you to use our name on your campaign literature and in your advertisement.

We wish you success in your campaign and look forward to working with you to protect New York State's natural environment for our families and our future.

Sincerely,

Harold Cohen
Chair

NYC Group Political Committee

***Please Note: The Sierra Club, as a 501(c)(4) organization, cannot make financial contributions to your campaign, although we hope that our endorsement will prompt some of our members to do so. The Sierra Club sometimes makes in-kind contributions, such as the posting of endorsements on a Sierra Club website. If you prefer not to be included in such a list, or if there are some other in-kind contributions that you do not accept, please e-mail me at hcohen5608@earthlink.net. Thank you.
