Dear Senator:

President
MICHAEL LOBODY

As Chairmen of the Plumbers Local One Political Action Committee, we would like to take this opportunity to thank you for your support of Wicks Reform in this year's budget.

Vice President
JOHN HICKEY

Reform of Wicks protects New York taxpayers, New York workers and New York plumbing and mechanical contractors. The recent Wicks reform will ensure that our local governments and school boards have new options to bring projects in under budget and on time. It will also enable New York to continue to train new generations of skilled workers.

Recording Sec'y.
MICHAEL McGRATH

Your support of Wicks is important to the economic future for our members, their families and thousands of other working families across New York. Our families help to keep our communities strong and build our state economy.
